

## **DONE DEAL LIFE**

*Music & Lyrics by Sal Arico*

I wish above all things  
That you be in health and live  
In all God's goodness,  
In all His will  
The eyes of your heart  
Flooded with the light of the hope to come  
And see the riches of His grace  
And the power of His love

I pray He leads you by His spirit  
Every night and day  
And guides you into His heart of hearts  
Shows you His Way

*God has given us everything in Christ  
It's a done deal life  
He's given us power, love and peace of mind  
All in Christ  
By grace we're seated far above  
We stand before Him in His court of love  
God has given us everything new in Christ*

In him we have a wealth of wisdom  
In him we stand bold and strong  
(It's Like) An all access pass to the Father  
All day long  
Dressed in his righteousness  
Robed in the power from above  
With faith as our shield, His word as our sword  
We're completely at rest in His love

As far as the east is from the west  
Father casts our sins away  
So we can enjoy His presence  
Every day!

Everything, grace upon grace is the Father's desire  
Everything, living the Life that is greater, higher  
Everything, speaking the truth in love to inspire  
Everything is in Christ, our Life!
